**The Rino Foundation**

**Key Info**
- Leiden University
- The Netherlands
- Run by student volunteers
- ~100 volunteers

**The Goal**
Rino's goal is to spark enthusiasm for physics in secondary school students.

**Results per year**
- ~ 350 shows
- ~ 15 000 spectators

---

**Freezing Physics**

**The Idea**
- Liquid Nitrogen
- Short explanations
- Low Temperature physics
- Ice Cream

**Experiments**
- Superconductor
- Leidenfrost
- Liquid Oxygen
- Phase transitions
- Solid Nitrogen
- LN2 Fountain

**For children aged 10 - 18**
