e-EPS and dissemination →Gina

Next committee meeting ..> Konstanz in April

Establish contacts with Europhysics Fun

Consider YM sections writing a review of science museums, particularly those with light as a theme, in their area/country for EPN

Consider YM sections writing a review of science museums in which they organise activities in their area/country for EPN

Consider Europhysics Foundation to collect funds to support community building among young physicists and YM outreach activities

YM to propose to EPS D/G to organise a symposium for young researchers during D/G conferences

Propose a statement of the EPS on the issues of importance to young physicists

D. Lee to contact G. Leuchs at Erlangen regarding relation of Erlangen YM Section and jDPG.

A. Marino will send request for extra Euro 5000 for IYL outreach activities

For translation of Switch on Light, need to define a procedure to get them translated

Discuss with L. Torner whether it is possible to organise YM leadership meeting at ICFO in 2015

Consider inviting speaker in social media communication to YM leadership meeting
