YOUNG MINDS PROJECT

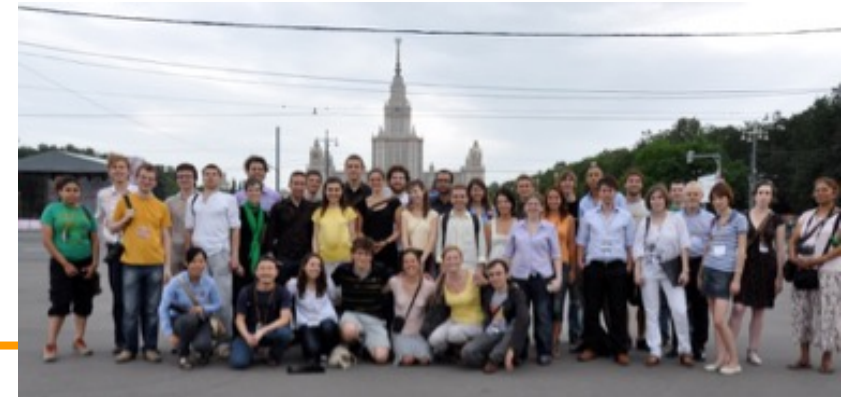

...a platform for early-career scientists

Objectives

- Recruit future researchers in physics
- Foster leadership amongst young scientists
- Connect (young) scientists in Europe

Approach

- Create an infrastructure for young physicists to emerge and get involved
- Support self-organized local sections
- Encourage interaction between sections

YOUNG MINDS PROJECT

...how to create a YM Section.

Recruit Members and a Faculty Advisor

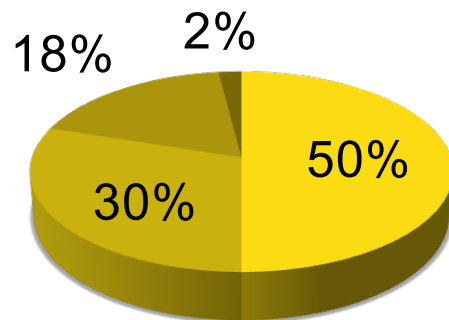

Define Name, Bylaw and Officers
(President, Vice President, Treasurer, Secretary)

Apply

Run Activities

YM members

- Undergraduates
- PhD
- Post Doc
- Research Fellow

YOUNG MINDS PROJECT

2011

10 sections, 7 countries
87 young scientists from 13 countries

- 1th YM meeting at CERN
- invited National Societies to get involved too
- interacted with existing student/postdoc groups

2013

23 sections, 12 countries

- 2nd YM meeting at EPS in Mulhouse
- Invited YM members to join the AC
- Secure long-term key role within the community
- Advance their career through experience and contacts

2010

YMP Starts

1th Goal: 3 sections

2012

18 sections, 10 countries

- The number of granted activities increased of the 300%

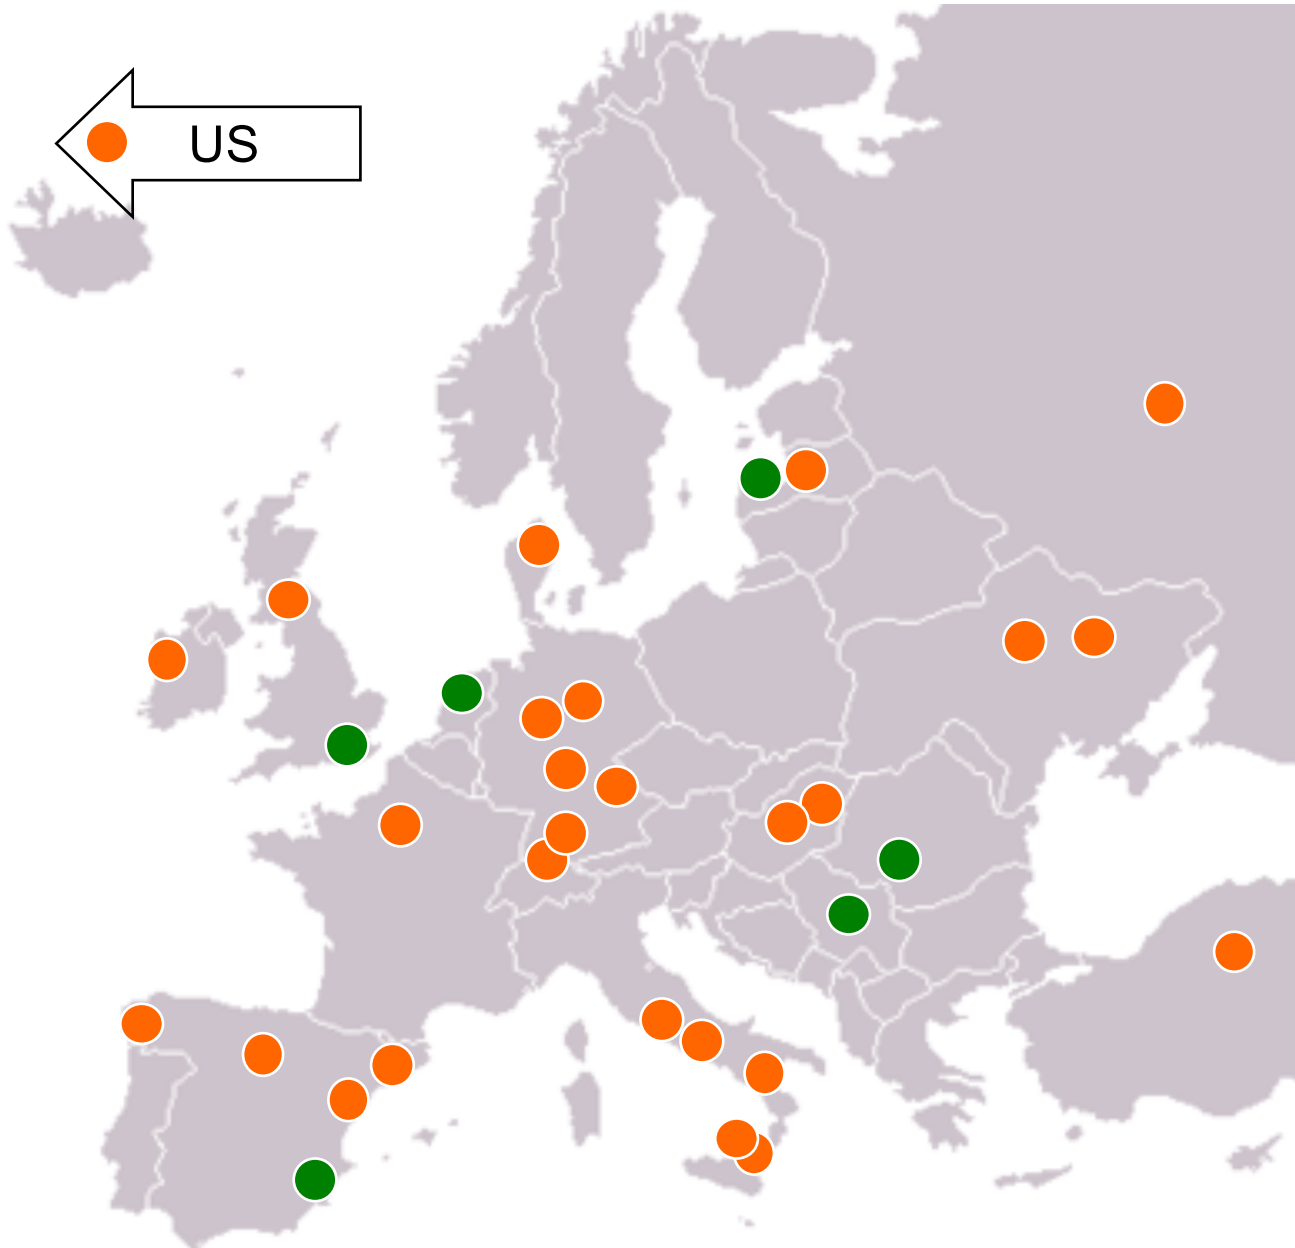

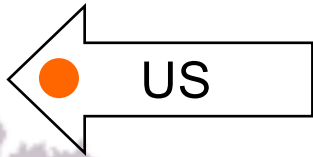

2014

27 sections, 14 countries

- 3rd YM meeting in Paris
- YM consolidates its collaborations
- Big involvement in the IYL2015
- YM National Coordinators

YM WORLDWIDE

27 SECTIONS, 14 COUNTRIES

- ITALY: Naples, Rome, Catania, Cosenza, Messina (5)
- GERMANY: Erlangen, Mainz, Heidelberg, Dresden, Konstanz (5)
- SPAIN : Barcelona, Valladolid, Catello de la Plana, Santiago de Compostela (4)
- UK: Strathclyde (1)

EPS GROUPS/DIVISIONS

- For the International Year of Light, the **Quantum Electronics and Optics Division** and Young Minds Action Committee of the European Physical Society offer a limited number of travel grants for PhD Students who wish to attend CLEO®/Europe-EQEC 2015.
- Last YM action committee was in Belgrade, during the VI EPS Forum for **Physics and Society**. A YM representative will be in their committee.
- YM co-works with **EPS Historic Sites**.
- For the 3rd European Nuclear Physics Conference (**EuNPC2015**), August 31 – September 4, Groningen, we will organize a YM parallel session about article writing, CV writing or job hunting.

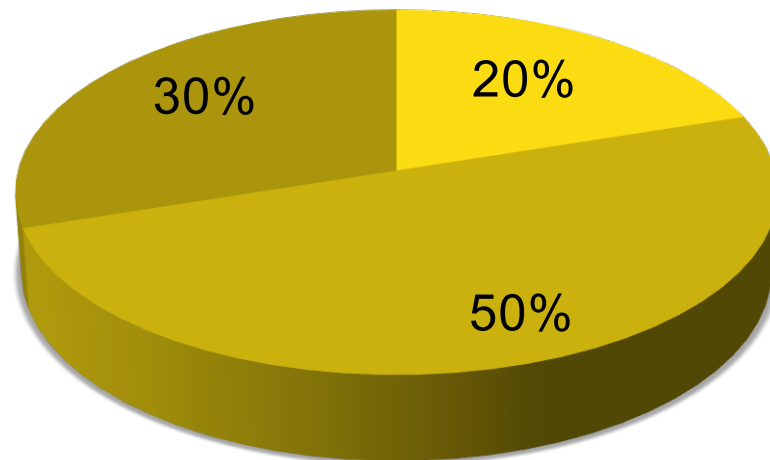

EXTERNAL

- YM is in the targeted network **COST TN1301**, Next Generation of Young Scientist: Towards a Contemporary Spirit of R&I - Sci-GENERATION.
- YM co-works with **IAPS**
- YM is in European Young Researchers Platform (**EYRP**)

GRANTS

Each Section can be awarded Activity Grants totaling up to 1000€ per year.
